

Agreement as to Governing Law and Forum

I/we, the patient or the patient's representative and Timothy C. Wirt, M.D., F.A.C.S.

Donn M. Turner, M.D., F.A.C.S.

Douglas W. Beard, M.D.

including employees and agents of Front Range Center for Brain & Spine Surgery, P.C., rendering or providing medical care, health care, or safety or professional or administrative services directly related to health care to the patient agree:

- (1) That all health care rendered shall be governed exclusively and only by Colorado Law. In no event shall the law of any other state apply to any health care rendered to the patient;

and

- (2) In the event of a dispute, any lawsuit, action, or cause of which in any way relates to health care provided to the patient shall only be brought in a Colorado Court in the county/district where all or substantially all of the health care was provided or rendered. In no event will any lawsuit, action, or cause of action ever be brought in any other state.

The choice of law and forum selection provisions of this paragraph are mandatory and are not permissive.
