

Physician Ownership Disclosure

The physicians associated with Front Range Center for Brain & Spine Surgery, P.C., are active members of a number of organizations that provide health care goods and services. As owner members of these organizations, our physicians are able to provide a strong influence on the quality, cost and effectiveness of the services and goods that are part of the health care delivered to our patients. We recognize that you will want to know of the financial relationships of our physicians with any organization that is also involved in the provision of your health care services.

The Colorado Medical Board and the Center for Medicare and Medicaid Services also require that our physicians provide public information about their financial relations with healthcare facilities and distribution organizations. Therefore, this document serves as notice to you of the various investment and financial interests of the physicians of Front Range Center for Brain & Spine Surgery, P.C.

Our physicians are owner members of the following health care-related facilities and organizations:

- Highline Surgical Solutions, LLC, a surgical implant, biologics and supply distribution company and member of the American Association of Surgeon Distributors
- Surgery Center of Fort Collins, 1100 East Prospect Road, Fort Collins, CO 80525
- The Imaging Center, 2127 East Harmony Road, Suite 130, Fort Collins, CO 80528
- Loveland Surgery Center, 3800 North Grant Avenue, Loveland, CO 80538

You have the right to request services at the provider or facility of your choice, and are not required to use the facility suggested by your physician. Please advise your physician of your concern and you will be referred to another comparable facility.

If you are scheduled to receive a neurosurgical or orthopaedic implant or biologic product during your surgical procedure, it is likely that this product or implant will be ordered through Highline Surgical Solutions. Your surgeon will be glad to discuss the reasons for his choice of implant and biologic product for your surgery.

You will not be treated differently by Front Range Center for Brain & Spine Surgery, P.C., or by your physician if you choose to not use the products, facilities or services initially recommended by your physician. Not all alternative products, facilities, and services are comparable and accessible for the surgeon to use, however. Your surgeon is a member of the medical staff of Poudre Valley Health System, Surgery Center of Fort Collins, Loveland Surgery Center, and Banner Health System, and will work to provide you with appropriate products and services at the facility most convenient for you that offers the level of care that you need.

If you have any questions about this notice, please discuss them with your surgeon or with Nancy Timmons, the Practice administrator.
